#### INTRODUCTION

What the Diamond Chart reveals.

The Diamond is one of the most powerful and beneficial divination tools numerology has to offer.

Whereas other metaphysical tools reflect an individual's personality, his or her character traits, talents, future forecast, and so forth, the Diamond reveals the chain of cause and effect that runs through our lives for the purpose of inspiring growth and offering guidance, both on the physical plane and the spiritual plane. The Diamond could be called the I Ching of numerology, because it reveals the links and interaction between the material body and the spiritual body.

The top part of the Diamond reflects your spiritual body. It is the heaven. The lower part of the Diamond represents your physical body. It is the earth.

The Diamond divides 81 years of your life in 36 time periods, each of which is presented in a 4-corner configuration – a kind of mini-diamond - within the Diamond. In addition, while each of these time periods affects us for 18 years (overlapping in four and a half year segments) the dominating influence of each of these mini-diamonds moves to the foreground for only one year. However, it sometimes repeats itself two or three times, often spaced a few years apart.

A diagram of your personal Diamond based on the letters in your name is included with your report. If you look closely, you will find the letter c next to a number in the top half of your Diamond, which points to your current Challenge. In the lower half you will find the letters r, a, and o, next to three numbers which form an inverted triangle. The numbers within this triangle reflect your Root, Action Key, and Outcome for that period.

Your Challenge, located in the top of the Diamond, is like a divine quest meant to guide you on your spiritual path. The Root, Action Key, and Outcome are of the earth, and outline the process that enables you to satisfy your Challenge.

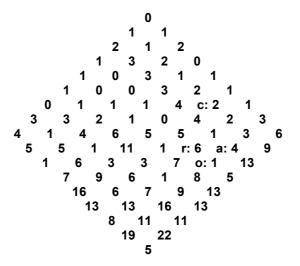

Your Root reflects the source; it is the catalyst that starts a particular chain of cause and effect. The Action Key tells you how to respond. And the Outcome shows the probable result.

Lost for many generations, the Diamond's revival over the last 20 years is a result of the research and contemplations of Hans Decoz.

# YOUR CHALLENGE

The Challenges are like Divine Quests, and are found in the top half of the Diamond.

The top half of the Diamond reflects our spiritual evolution, while the lower half, which is where we find the Root, Action Key, and Outcome, tells us of our worldly existence and experiences. Therefore, the Challenges reveal the true purpose of our struggles from a celestial viewpoint. The Root, Action Key, and Outcome, reflect the trial, response, and outcome on the material plane, a chain of cause and effect which exists for the sole purpose of delivering the perspective needed to satisfy our Divine Quest.

Within the context of reincarnation, the concept is that what we take with us when we leave our human body are certain qualities we earned or enhanced as a result of the life, or lives, we lived on this earth.

Our Challenges are inspirations of a divine source that seduce us into learning and growing on a level above and beyond our worldly mind. And as is befitting Divine

Page 5

Quests, the Challenges tend to be somewhat veiled and subtle.

Madonna, your Challenge is 2.

Madonna, this challenge is about pushing the boundaries of your perception. As a human being, you are well acquainted with the rumblings of your mind. After all, there is an almost nonstop one-way conversation going on between your mind and you. If you are like most people, you will probably identify with your mind completely – each and every moment of the day. In fact, most of the time you are so emerged in the rumblings of your mind, that you are your mind. There is no distance, no separation.

But every once in awhile, as when you sit quietly and focus inward, another kind of

consciousness comes through. And you recognize that your true self lives much deeper within you. That, in fact, the real you is simply listening to your mind. You realize that there is a distance between you and your mind. And this, Madonna, is the kind of understanding that can change your life more dramatically than winning the big lottery. In fact, when this understanding metamorphoses from an intellectual recognition to a full-blown realization, it is much better than winning the lottery. It is a first step to real freedom. Only when one is fully conscious of his or her true Self as separate from the mind, can one accept or discard whatever the mind delivers – which constitutes freedom. When a person is not aware of this separate identity, that person has no choice but to follow the mind in absolute obedience – no questions, no choices, no freedom.

Without this separation, it's like one person arguing in front of a mirror.

#### YOUR ROOT

The Root is the catalyst that sets a chain of events in motion. Based on the concept that we are here on this earth in order to learn and grow, the Root exposes weaknesses or challenges which need to be dealt with. Once we acknowledge the Root we get the opportunity to respond, thereby starting on a path of healing and growing.

Madonna, your Root is 6.

Madonna, love can be a source of confusion – as it appears to be in your life right now. You feel you don't have any kind of handle on this strange phenomenon. This does not only apply to your romantic partner, but probably also to some of the people you are close to; friends and family members.

people you are close to; friends and family members.

This has nothing to do with the love you feel. Love is what it is. It has to do with your perception of these feelings. You have certain expectations of what you should be feeling and they are not always met.

Page 6

The confusion lies deeper in you psyche than you realize and may have its source in your own perception of your sexuality. Between the emotional connections we call love and its physical counterpart we call sex, is a large gray area where anything can happen. You have, perhaps subconsciously, ventured out into this gray area and now find yourself surrounded by unfamiliar territory.

#### YOUR ACTION KEY

The Action Key represents the guidance we are offered to help us on our path towards mental, emotional, and spiritual growth.

Madonna, your Action Key is 4.

Madonna, this is a time when effort, restraint, responsibility, and discipline are needed to respond to your current Root. Put your nose to the grindstone, fulfill your obligations, do not procrastinate, and keep your eyes on your goals. This is a time to stay grounded and to be practical in all your endeavors.

While this sounds like all work and no play, the upside is that there will be no shortage of satisfaction and appreciation. You will reach your goals. You will come to look back on this period of your life with gratitude.

Not only does all this effort result in tangible rewards, you will grow as a human being. You become stronger and more self-confident. The quality of your life improves greatly.

Think of it as entering boot camp. It will, at times, be hard and difficult, but when it is all said and done, the benefits far outweigh the cost.

Key ingredients for this period are effort, focus, time management, and an eye for detail.

### YOUR OUTCOME

The Root sets us on a path. The Action Key guides us along that path. And the Outcome indicates what it is we find at the end of this path.

Madonna, your Outcome is 1.

Madonna, you will emerge from this Root and Action Key stronger, and with an increased sense of control and discipline. Your self-esteem improves and you are much more confident that you can do anything you put your mind to. You are ready to play a leadership role at work as well as in your personal life. You are more decisive, goal-oriented, and ambitious.

Some people experience the Outcome of this Root and Action Key as weakening. In extreme cases, this can result in health issues or mental problems such as

Page 7

depression. If this is the case, Madonna, you should work on building up your masculine psyche; the confrontational, aggressive you.
