Your Personal Month's compatibility for April 2007 is 1 and 5	63

INTRODUCTION

HOW TO READ YOUR RELATIONSHIP COMPATIBILITY REPORT

When two people are involved in a relationship, they get to know each other more deeply over time. At first, everything is wonderful and friction is rare. Then, as time goes by, you get to know other sides of your partner and, undoubtedly, discover some personality traits you don't like, and other traits you appreciate. The more time you spend together, the more you get to know each other. But even if you consider your relationship almost perfect, you will certainly experience at least some areas of possible friction.

The purpose of this report is to point out the different personality traits you possess, and how compatible they are. This report will help you identify those properties that are, at least to some extent, not compatible, and suggest how to prevent them from damaging, or dominating, your relationship.

It is important to also keep in mind that you may have some qualities that, although positive, are not compatible, but that negative traits are almost always a cause for friction. Therefore, you may find that this Relationship Compatibility Report is at times more critical and perhaps somewhat harsh - unlike most readings of this kind. If you feel uncomfortable with that, remember that this report was designed to throw light on those aspects in your charts that need to be understood and recognized, because if they are not, they can do a lot more damage than a few critical remarks in a reading.

Madonna and Guy, you will probably encounter some texts such as: "The compatibility aspect in this area of the chart is already included in other parts of this report, offset by other conditions or redundant". This is done in order to offer a perspective that is as well balanced and clear as possible, and repeating certain traits would place too much emphasis on them.

Master numbers are also handled somewhat different in a relationship compatibility report. They are reduced to their single digit values, because it is in the single digit's archetype that those personality traits are represented. If a number that appears in your chart is 11, 22, or 33, and the compatibility refers to the numbers 2, 4, and 6 respectively, this is not a typo but an indicator that the compatibility is based on the single-digit sum of your Master number.

You will also find that some numbers normally included in a personal numerology reading are not included in a relationship compatibility report. This is because the compatibility between two people is influenced much more strongly -- as much as

Page 6

ninety-five percent -- by the core numbers, than by all the other numbers in the chart combined. In fact, the lesser numbers in the chart would only muddle the waters if analyzed in the context of a relationship compatibility report.

Madonna and Guy, I hope you will enjoy your Compatibility Report and, more importantly, I hope you will find this reading to be beneficial to your relationship.

LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Madonna, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

Madonna, your Life Path is 20/2

The key word in your nature is peacemaker. Madonna, you have the soul of an artist. You are extremely sensitive, perceptive, and a bit shy. These qualities are

both your strengths and weaknesses, for while you possess enormous sensitivity to your feelings and those of others, that same sensitivity can cause you to hold back and repress your considerable talents. Sensitivity and perceptiveness are among your many fine qualities

Because you intuitively know what people want, or feel, you can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions.

You enjoy music and poetry and require a harmonious environment.

You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical

Page 7

therapy, and counseling.

However, your sensitivity can also be your downfall. Madonna, your extremely delicate ego bruises easily and can make too much of someone else's thoughtless remarks or criticisms. Because you get hurt easily, you may tend to withhold your own thoughts and contributions to the matter at hand. This can cause you considerable resentment and anger.

Too often, you run from confrontation to avoid a battle.

When you employ your considerable inner strength, you will discover your enormous power and abilities to direct difficult situations toward your own goals. It is the awareness of your inner strength that will give you the courage to use your own personal power when it is needed. You are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy.

However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively. Your awareness, diplomatic skills, and organizational talents give you the ability to bring off difficult tasks. You willingly step out of the limelight to facilitate the success of your endeavor. In truth, you are often the power behind the throne. However, you do not always receive the credit you deserve for the fine work you've done, or your role is underestimated and your accomplishments overlooked. Rather than brood over your losses, you need to confront those who would make less of your contributions and stand up for your accomplishments. You need security and comfort, quiet settings, and the company of loved ones. You are a perfectionist when it comes to your home and work environment. Madonna, you have excellent taste which is obvious in your private surroundings. You are a fine companion and possess a good sense of humor. Friends seek you out for your calming and peaceful company. You are a safe haven to other sensitive people, who recognize your compassion and understanding. When you have found your niche in life, you have all the talents and intelligence for great success. Seek out work that allows your sensitive nature to flourish -- be the glue that binds others together.

Guy, your Life Path is 16/7

Guy, you are the searcher and the seeker of the truth.

You have a clear and compelling sense of yourself as a spiritual being. As a result, your life path is devoted to investigations into the unknown, and finding the answers to the mysteries of life.

You are well-equipped to handle your task. You possess a fine mind; you are an analytical thinker, capable of great concentration and theoretical insight. You enjoy research, and putting the pieces of an intellectual puzzle together. Once you have enough pieces in place, you are capable of highly creative insight and practical solutions to problems.

Page 8

You enjoy your solitude and prefer to work alone. Guy, you need time to contemplate your ideas without the intrusion of other people's thoughts. You are a lone wolf, a person who lives by his own ideas and methods. As a result, close associations are difficult for you to form and keep, especially marriage. You need your space and privacy, which, when violated, can cause you great frustration and irritation.

When your life is balanced, however, you are both charming and attractive. You can be the life of a party, and enjoy performing before an audience. You enjoy displaying your wit and knowledge, which makes you attractive to others, especially the opposite sex.

But you have distinct limits. While you are generous in social situations, sharing your attention and energy freely, you are keenly aware of the need to "come off stage" and return to the solitude of your lair. You associate peace with the unobtrusive privacy of your world. Therefore, intimacy is difficult for you, because you guard your inner world like a mother lion does her cubs.

All this privacy and aloneness can cause isolation and loneliness, however. You can be aware of emptiness in your life, a part of you that yearns for company and close companionship that may be unsatisfied.

If isolation is brought to the extreme, you can become cynical and suspicious. You can develop hidden, selfish motives, which people may sense and may cause them discomfort around you. You must guard against becoming too withdrawn and independent, thus shutting out the love of others and keeping you from experiencing the true joy of friendship and close companionship.

Guy, you must especially watch out for selfishness and egocentricity, thinking of yourself as the center of the universe, the only person who really matters. Social contact gives you perspective on yourself and on life, while too much isolation can

make you too narrow and even shut off from the rest of the world.

Secretly, you may feel jealous of the easy relationships formed by others; you may perceive others as less inhibited than you, or more free to express themselves. You may harshly criticize yourself for not being more gregarious, powerful, or capable of greater leadership.

Your challenge in life is to maintain your independence without feeling isolated or ineffectual. You must hold fast to your unique view on the world, while at the same time being open to others and the knowledge they have to offer.

With your abilities to learn, analyze, seek out answers to life's important questions, you have the potential for enormous growth and success in life. By the time you reach middle age, you will radiate refinement and wisdom.

Pythagoras loved the seven for its great spiritual potential.

Guy, your 16 Life Path also reflects the presence of a Karmic Debt. The 16 Karmic Debt means destruction of the old and birth of the new. The 16 is about the fall of the ego, and all that it has built for itself. It is a watershed, a cleansing. All

Page 9

that has been constructed, and all that serves to separate the person from the source of life is destroyed. Through the 16, reunion with the Great Spirit is accomplished.

This can be a painful process, because it usually comes after much ego inflation. This results in a struggle between the ego and the divine will. Life presents challenges to your grand plans, which can be resented and struggled against. It is a lost battle, and you will likely feel humbled in the face of the collapse that follows. This humility is the key to later success, however, because you will learn to follow the intimations of a higher reality. In the destruction of the old, a spiritual rebirth takes place with an entirely new awareness. This rebirth affects every area of your life. It is a life much the better for the fall.

Those with the 16 Karmic Debt must be careful of egotism. Very often, those with the 16 use their highly intuitive and refined intellect to look down upon others, and view the rest of the world as inferior. This causes acute alienation and loneliness. In addition, it invites retribution, for the egotist is humbled more harshly than any other. When the 16 is in one of the core numbers, this process of destruction and rebirth is a continual cycle that actually serves to bring you into higher consciousness and closer union with the source of life.

The 16 Karmic Debt can be a path of progress and great spiritual growth if it is looked at properly. One develops great faith by placing one's life in the hands of God. Through such faith, gratitude and peace are firmly established.

Your Life Path's compatibility is 2 and 7

Madonna and Guy, your Life Path numbers are the most important numbers in your charts, and, as such, their compatibility is very important to the well-being of your relationship.

In this combination of numbers, intuition meets intelligence, sensitivity meets clinical research, and the heart meets the mind. It would be a challenge to find two more different archetypes than this. Madonna and Guy, yours is a unique relationship. Rarely do two such different numbers express even the slightest bit of interest in each other. But, when they do, the partnership is worth every effort. Almost certainly, you met under strange circumstances, perhaps a situation where you were both out of your usual environment, and, most likely, Madonna reached out to Guy.

Once these two completely different numbers come close enough, the result is often an exchange of energy that welds the relationship for life.

The dangers and pitfalls possible in this combination are generally experienced right at the beginning of the relationship. They are numerous and include the

Page 10

inability to relate to the other person's way of thinking, feeling, and expressing. Madonna's love is soft and gentle, idealistic and romantic, emotional and innocently childlike. Guy's love is like a precious jewel; it requires a lot to earn it. Wisdom and knowledge, spiritual understanding and an ageless quality strengthen Guy's love. At the onset of the relationship, this was the big hurdle to overcome. Guy does not trust love that comes so easily. On the other hand, Madonna simply cannot understand why someone would not just respond. After all, what is more natural than love?

Sometimes, a relationship with this combination of numbers occurs after the partners have known each other for many years, when levels of trust and understanding have been achieved before either one of them thought about romance. So, a romance born on such solid foundations and balanced by pure emotions on one side and wisdom and spiritual understanding on the other can't but succeed.

So, be that as it may, once other number combinations bring these two opposite archetypes together into this unique relationship, it takes a hurricane to destroy their bond.

EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

Madonna, your Expression is 24/6

Madonna, you are a loving and caring individual with a tendency to put the

Page 11

needs of others before those of yourself. You are responsible and trustworthy with a high regard for justice and honesty. Duty will follow you all your life and sometimes feel a little too much of a burden.

You are artistic. Harmony and beauty are high on your list of priorities. You have musical talent but the creative talents of a 6 are sometimes left undeveloped or suppressed as a result of your tendency to sacrifice your time and pleasure to the service of others. You are highly creative in all areas of life, particularly the visual. You are also a talented business person and can work methodically toward the realization of your goals.

You have a natural gift with flowers, gardens, and animals. Your love of children has caused numerologists to dub you the "Cosmic Mother or Cosmic Father". The very shape of the 6 resembles and symbolizes "Pregnant with Love".

You are a natural counselor and healer. But you must be careful not to interfere with the freedom of others. You are recognized as an idealist, mainly regarding marriage, friendships and humanity.

The 6 is the most balanced of all numbers, but also contains within itself the greatest paradoxes. It is as if opposite tendencies were tenuously poised. Because of its gift for harmonizing these opposites, you are uniquely qualified to handle and integrate contradictions within yourself. It is for this reason that 6s so frequently find themselves in the role of healers or counselors, creating a peace between opposing points of view, or internal conflicts within the self.

While you can be very idealistic, there may also be a temptation to acquire beautiful objects by improper means. You must also guard against other meddlesome behavior and domestic tyranny, or always having to have your own way in a family dispute.

Conversely, you have it within yourself to understand another person's dilemma and come up with a creative solution. Your natural ability to give comfort and warmth can smooth over hurt feelings like a healing balm. You attract love and appreciation. And rightly so, because you give the same in return.

You make an outstanding teacher (especially young children or special education), healer, counselor social worker, psychologist, artist, designer, gardener, florist, and farmer. You can be successful in business, especially those that involve dealing with people.

Guy, your Expression is 26/8

Guy, you have the power and potential to achieve great things. It is both your challenge and your birthright to gain dominion over a small part of the earth.

Whatever your enterprise, you strive to be the best and most successful in your field. You are highly competitive and will not rest until you are satisfied that you have bypassed the opposition. You enjoy challenges and rivalry.

You are a realist and a visionary planner. Money and authority are available to

Page 12

you if you are willing to discipline yourself -- generally an inborn talent -- and persevere in the face of the considerable obstacles in your path.

You are dynamic and have a talent for efficiency. You understand the larger picture, see the broader challenges, and know how to marshal your collective resources to address the problems. You delegate responsibility well; it is best for you to leave many of the details to others.

Guy, you are a great leader of people and an outstanding judge of character. You are demanding of those who work for you, often putting things in no uncertain terms: do it my way or don't do it at all!

At the same time, you don't hesitate to reward the faithful and hardworking employee. You are not a particularly tolerant leader; too much tolerance violates your sense of efficiency. You go directly after your goal with courage and tenacity.

You have a natural understanding of money, authority, and power. You are able to struggle consistently after your goal. Eventually power falls to you. Within you

lies an innate balance between the higher and lower characteristics of man. Your challenge in life is to balance your higher ideals and your understanding of the hard realities of the earth.

Much effort will have to be put out and many ups and downs experienced before you reach the level of success you desire. Life will probably test you many times with obstacles that seem insurmountable. But in reality, these are merely opportunities for you to learn how to use power and authority in the face of difficulties, and to find out just how much power lies within you.

It is crucial for your success that you balance the material and the spiritual. You have chosen a path that requires balance between giving and taking, reward and punishment, action and reaction. Despite the obstacles on your path, you are a true survivor.

When focused exclusively on your desire for results and success, you can become stubborn and intolerant; you can be driven by excessive ambition, causing you to be exacting and without perspective. Be careful of your alcohol consumption, a danger-zone for you. Guy, you can be a social drinker, mixing business with pleasure -- a dangerous cocktail.

An excellent manager, organizer and administrator you have talents in many areas of life. Entrepreneurs, executives, bankers, brokers, negotiators, gamblers, coaches, collectors, heads of institutions, builders, art dealers, manufacturers, promoters, military officers, police detectives, smugglers, engineers, pilots or sea captains.

You have been entrusted with special gifts, the use or abuse of which has an immediate and often physical effect upon you and those around you! Use these gifts for the good of mankind and accept your own good fortune with gratitude. This is your rewarding stage in your evolution. Yours is a life time of harvest

Your Expression's compatibility is 6 and 8

Page 13

More than any other number in your chart, your Expression number reflects who you are as a person. Earlier, you read about the Life Path number and how important that number is in your chart. However, the Life Path number reflects "the path you walk on," and should be seen more as a powerful influence than as a part of your personality makeup. Your Expression number on the other hand, reflects a deeper part of you. It is more difficult to overcome possible negative traits you may have recognized in yourself when they are found in this part of the chart, than when they are found under the Life Path description.

It can't be emphasized too much how important it is to realize that numbers in different areas of the chart affect you differently, even when it is the same number. Sometimes, you may read something that seems to directly contradict earlier statements. Yet, if you take the time to think about them carefully, you will probably recognize that you, as a human being, are extremely complex and full of the same contradictions. This is simply the way we are. You may be organized in one area of your life, while chaos rules in another area. You may be tactful and sensitive in one setting, and direct and confrontational in another situation.

Madonna and Guy, the six and the eight are very compatible. You are both practical and goal-oriented people who are not afraid of responsibility. However, there are big differences in the way the six and the eight view responsibility, and even bigger differences in the way they pursue their respective goals.

Madonna's sense of responsibility is strongly focused on family and friends. Madonna will be hesitant to do anything that could endanger the comfort and lifestyle of those Madonna is committed to. Guy's sense of responsibility is committed to goals and dreams - their fulfillment is Guy's priority. Where Madonna will be very reluctant to take risks that might reflect on those Madonna cares about, Guy will not hesitate to take certain carefully calculated risks because Guy feels that, if those goals are met, the lives of everyone around will improve. Madonna is capable of working for a long time to reach a goal, but Madonna is much more grounded, Madonna will hesitate to step away from the beaten path. Guy has a sense of business and is a visionary with a practical, can-do mentality. Interestingly, the six-and-eight combination is excellent for business partnerships. The six keeps a reign on the dreams and visions of the eight. In turn, the eight can inspire the six to aim higher and take advantage of the opportunities lying ahead. Without an eight to inspire a six, the six will likely remain confined to small dreams requiring little or no risks. Without the grounded realism of the six, an eight often gets lost between the vision and the goal. In a romantic relationship, Madonna and Guy, the numbers found in this part of the chart similarly play off each other's strengths in ways that can be very good for the relationship.

Page 14

Problems can arise when one partner tries to dominate the other, which has been known to happen between a six and an eight. Madonna, your tendency to take on any burden, your willingness to sacrifice, and your need to feel secure in a relationship, can make you a victim to the somewhat authoritarian and demanding nature of Guy's eight. Sometimes, the opposite happens, and the inherent talent of Madonna's six to make others feel guilty simply by showing how much Madonna is willing to do for them can put a real damper on Guy's potentially powerful and focused energy.

Madonna and Guy, this aspect of your charts is somewhat similar to reaching a fork in the road. You have a choice between enriching and enhancing each other's strengths and talents, or frustrating your partner's opportunities. The key to maintain a balanced relationship is not to try to dominate each other.

HEART'S DESIRE

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

Madonna, your Heart's Desire is 15/6

Madonna, your attention is directed to helping and caring for those you love. You are exceedingly domestic. You love your home and family and work hard to make both comfortable and secure. Your love for family and friends is a major source of your happiness and sometimes unhappiness.

Your desire to help others is so strong that you often find yourself sacrificing your own personal needs for someone else's. You can overdo it, becoming too deeply involved in other people's lives. You risk interfering in personal matters and or smothering those you love in too much affection. This can be especially weakening to children, who never experience their own personal strength if an adult is too protective.

Page 15

You are extremely loyal and rarely let anyone down. You need to feel appreciation for your giving and caring. You want to know that you are needed.

Madonna, you are generous and very forgiving. You are somehow able to overlook the worst mistakes in another and find enough good in that person to continue the relationship.

You are patient, warm, and sympathetic, sometimes to the point of sentimentality.

You have a natural ability as a counselor and healer. You are an excellent listener, compassionate and understanding. You are able to both sympathize and empathize with a person's dilemma. Your challenge as a counselor is to be adequately educated so that you can do more than provide a sympathetic ear or shoulder.

You possess a great deal of artistic talent, though you may not have a lot of confidence in your ability. Art gives you a great deal of pleasure and satisfaction. You are especially sensitive to your environment and have a knack for creating an artistic, healing, and harmonious atmosphere in your home or work space.

Madonna, your deepest intention is to love those around you, and be loved in return. Six is the most loving of all numbers, especially in one-to-one relationships. Your instincts are toward your family and friends. You envision a beautiful and harmonious life with love as the basis for all social interaction. Your love is returned manifold; people appreciate you and the love you give, and are willing to go to great lengths to keep you close at hand.

Guy, your Heart's Desire is 12/3

Guy, you love a good time. You are generally happy, friendly, and outgoing. You have a gift for gab. You are very witty, creative, and playful. You inspire and entertain people. You are considered by many a great companion.

Many outstanding comedians have this Heart's Desire. You have a good mental and emotional balance and there is little that gets you down.

You have a gift for self expression and are drawn to the verbal arts -- writing, acting, singing, and poetry. You may have a great talent in one of these areas. If your creativity is blocked or suppressed, you tend to daydream and fantasize. Your imagination needs a constructive outlet; otherwise, it may run away with you.

At the same time, you may have great difficulty expressing your deeper feelings and important personal thoughts. You prefer to stay on the surface, entertaining people with your wit.

If you fail to deal honestly with your inner nature, you may succumb to compulsive talking. Such behavior may be merely a way of siphoning off emotional energy that is building beneath your surface. Your deeply felt emotional life cannot be avoided or suppressed. But you possess the talent to channel these feelings into highly creative and artistic form. Art and self-expression are your outlets.

Page 16

Guy, you need discipline to make full use of your abilities. Too often, you may scatter your energies in many directions, beginning projects that are never finished

and never really succeeding in anything.

You success depends on your ability to commit to your work and to see it through to completion. You have so much creativity and inspiring upward energy that you are in desperate need of an anchor. Hard work and discipline serve this purpose and bring out the best in you.

Because you are gifted with such a sparkling personality, you are tempted to stay on the surface and play with life. You are confident and love the attention others give you, but these characteristics can lead to vanity and self-absorption.

Guy, you have the potential to live a very full and successful life thanks to your talent for artistic self expression. The key to your success is a balance between the creative forces and self-disclose.

Your Heart's Desire's compatibility is 6 and 3

Compatibility of the Heart's Desire numbers is very important in a relationship - few relationships last beyond the initial stage if the Heart's Desire numbers are not compatible.

You make up a creative couple, where Guy has the kind of creativity and sense of humor everybody loves and Madonna the warmth and self-sacrificing love for the friends and family members that so easily wins hearts over. You are probably a popular couple, with an active social life and a large circle of friends. Madonna has the innate ability to draw from others the kind of loyalty and devotion that lasts a lifetime. The number six is often called the motherhood-, or fatherhood, number. Healing and comforting is second nature to Madonna, who will spread it around indiscriminately.

Guy, the number three is also a very giving and popular number, more playful and creative, but less grounded and disciplined. Your energy is less directed and more impulsive. You don't have a lot of patience dealing with emotional issues. So, you can be a great shoulder for people to cry on, as long as the crying doesn't last for more than about two minutes, probably because you're usually optimistic and lighthearted nature tends to expect from others the same elastic response to difficult times, which is so much part of your make up. Though invaluable, Guy, the energy you bring in is sometimes not enough. The six makes Madonna all heart. Madonna feels very strongly and very deeply, which can also cause Madonna to be more affected by matters of the heart than you feel sensible.

Surprisingly, however, the most common pitfall when a three and a six are found in this part of the chart is not the lack of emotional involvement native to the three, but the possibly excessive emotional bonds experienced by the six. Madonna, you

Page 17

have a tendency to become so involved with the well being of those you love that they may start feeling smothered. You want to do everything for everybody, and Guy can become disenchanted with that, since Guy needs space and freedom, and does not like to be guided and protected by anyone else. Madonna, it is important that you don't try to take Guy under your wings, thereby making Guy feel that there is no room to move or air enough to breathe.

PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

Madonna, your Personality is 18/9

Madonna, you have an impressive and aristocratic bearing. No matter how tall you are, you appear noble and upright. You are very much in control of the image you send out to others.

Many actors, dancers, and other performers have a 9 Personality Number. You are elegant, graceful, and charismatic. Many admire you.

You have the kind of stature that pulls people to you or repels them intensely. Some are jealous of you and may seek to belittle you.

You may encourage this to some extent by the amount of arrogance you radiate. This is a caution for all 9 Personalities -- they are sometimes aloof and hold themselves above the world.

Your challenge is to come down to earth with your fellow man.

Conversely, you have a great compassion for humanity and want to dedicate yourself to improving the lot of others. You are better when dealing with the trials

of the many than the trouble of a single person. You are more capable of working

Page 18

on the grand scale, addressing the needs of society, than on a one-to-one basis.

Madonna, you are kind and sympathetic, helpful and compassionate. Behind the controlled and calm facade, you are sensitive, vulnerable and emotional.

You have excellent taste. There is a good deal of artistic talent in you that shows in your home environment and your clothing.

You tend to see yourself as a guardian of society, a benevolent leader, guiding and directing your community toward a better world.

Guy, your Personality is 32/5

Guy, you are a stimulating person. You brighten social gatherings with your fresh and original ideas. Your conversation tends to be sprinkled with novelty and wit.

You have a quick tongue and charisma. You are probably an excellent salesman. There is a lot of nervous energy within you looking for an outlet.

You love your freedom and you see this life as an ongoing adventure. You are upbeat and optimistic. This is infectious for those you meet. As a result, you inspire others.

You have a strong and attractive body, with good muscle tone. Your movements are supple, graceful, and athletic.

Guy, your bane is that you love to indulge your senses with food and drink and can easily gain weight. You have an appetite for anything that stimulates the senses -- sex, food, alcohol, and drugs. Discipline is a necessity for you. The negative side of a 5 Personality Number can give rise to an addictive personality.

You like to dress fashionably and can get away with more colorful clothes. However, you should be aware of the value of quality and the power of modesty.

You are a little irresponsible and quick in satisfying your sensual urges. You are attractive and that, coupled with your innate ability to promote yourself, makes it easy for you to satisfy your desire for new and exciting relationships.

You have a kind of swashbuckling personality. People see you as the adventurer that you are. They expect the unexpected from you, and when they don't you often surprise them.

You have a quick and eclectic mind. You attract information from all directions, but you can be a bit superficial, skimming over the surface of a wide diversity of subjects. This may cause you to be a bit of a dilettante. You can get away with it much of the time, but for your own success and happiness, you should try to ground knowledge and deepen your understanding.

Guy, your versatility and adaptability make you capable of getting the most out of virtually every opportunity in life. You decide quickly on a course of action and your timing is usually good. You radiate with the potential for success, which attracts others who can further you along your path.

Page 19

Your Personality's compatibility is 9 and 5

Quickly recognized when two people first meet, not many relationships even get started unless the Personality numbers are compatible.

There is very little the five and the nine have in common, Guy and Madonna. In fact, there is no common ground at all. Imagine a social event where all the participants are pure archetypes based on the personalities of the cardinal numbers, you will never see the five and the nine huddled together, laughing and talking and sharing jokes. Like oil and water, the five and the nine won't mix. They are so far apart that they would have a hard time keeping a conversation going, and an even harder time enjoying it - if at all possible...

Guy and Madonna, the numbers found in this particular aspect of the chart are not responsible for the attraction between you. The fact that you have a relationship indicates strong compatibilities in other areas of the chart.

You will find that other numbers - as described elsewhere in this report - sustain your relationship. Guy, your adventurous, dynamic, and freedom-loving spirit reflected in this part of your chart can be annoying and perceived as irresponsible by Madonna. Madonna, your idealism, your sense of duty and responsibility to mankind, your desire to "make a difference" in this world, appear superficial to that part of Guy that is represented by this five.

Although there is not much to be done about this lack of compatibility, the relationship between a five and a nine is far from doomed. Other aspects of your personalities are obviously strongly connected and compatible, otherwise there would not be a relationship at all. So, how can you minimize the lack of compatibility between the five and the nine in this aspect of the chart?

For Madonna, it is important to know that idealism, self-righteousness, duty and responsibility will only impress Guy if you don't take credit for your actions. Guy distrusts idealism but admires results. Without limiting yourself Madonna, you will have to accept the fact that you are on your own when it comes to following your heart in these areas.

Similarly, Guy, in Madonna's eyes you sometimes appear shallow and selfish, not because you are shallow and selfish, but because Madonna connects selflessness and inspired actions with depth and moral strength.

Guy and Madonna, you will have to compromise and be diplomatic when it comes

to these issues and explore your number combination in other aspects of the chart that certainly have sustained your relationship.

PERSONAL YEARS

Your Personal Year number is a strong indication of the trends and circumstances you will experience during the year ahead. Your Personal Year

Page 20

cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Madonna, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

Madonna, your Personal Year for 2012 is 2

Madonna, this is a year to carefully protect and nurture your plans. You will be like a mother watching over her children, conscious of every threat, real or imagined.

You need tact and cooperation to keep yourself moving forward. There will likely be confrontations with others, requiring a subtle and gentle approach. You will have to stay focused on your goals, yet use intelligent persuasion. Being forceful may work against you; compromises will work in your favor.

You will be unusually sensitive and may wonder at times what happened to the drive and momentum you felt last year. This year requires something else from you now -- a delicate sense of balance and a willingness to go around obstacles, without losing sight of your goal.

You may experience some emotional depressions and frustrations. The year is marked by struggle, but there are many opportunities to advance your plans.

This is a year of slow growth, requiring patience.

Be discriminating in your associations and secretive about your plans. Don't talk too much about your ideas; be a bit secretive; guard yourself and your ideas. You are somewhat vulnerable this year.

This is a good year to improve yourself through reading and research.

Madonna, your growing awareness of the less visible and less obvious aspects of life will make you much stronger and better prepared for the future.

You must be wise in all your relationships and associations this year. You are far more capable of establishing close, even life long relationships this year. Because sensitivity and openness are heightened, many people find their "soul mate" in a two year.

May is the pivotal month in the year. You are extremely intuitive and sensitive. You are also self-reflecting and better able to influence your peers and situation

Page 21

through spiritual awareness. July brings a culmination of plans and a distinct step forward. August sees things become more concrete and brings a new beginning. September is emotional, requiring adjustments, tact, and inner resolve. The 2 year is a year of growth and advancement, but through gentle means, and the indirect use of your personal power.

Guy, your Personal Year for 2012 is 6

This is a year of progress and financial advancement, Guy. Major career opportunities present themselves. It is a challenging year in which personal growth is joined with new responsibilities and challenges.

This is a year of domestic responsibility and attention to the needs of family and friends. It is a time of heart felt emotions and some sacrifice. It is a time for comforting and caring.

You realize the importance of your place within your community. You will be called upon to help others bear their burdens. You are the proverbial friend in need.

Guy, you must work to create an atmosphere of harmony and balance. It is often a time when marital issues surface and need attention. However, you possess the understanding to deal with such issues effectively if you apply yourself with love and flexibility.

These deep feelings bring renewal to relationships and often a birth in the family.

May is an emotional month filled with the promise and the stress of imminent changes. June is a breakthrough and a relief. September brings advancement, October self-reflection and readjustments, and December brings a sense of completion and fulfillment.

Your Personal Year's compatibility for 2012 is 2 and 6

Compatibility is as important with the cycles as it is with character traits. It is possible for a relationship between two people with otherwise very compatible charts to break down as a result of encountering one or more incompatible cycles. However, it is much easier to overcome or avoid possible pitfalls resulting from incompatible cycles than from incompatible personality traits.

No two cycles are so completely involved with the heart as the 2 and the 6. Madonna and Guy, this is a combination of cycles that has only two possible outcomes. Simply put it is either very good or very bad. There is not much room in the middle.

You will almost certainly experience some major disagreements. It is in how you handle them that makes all the difference. And it is the strength of your love, and

Page 22

the depth of your feelings, that influence the way you respond. Therefore, you can see this combination of cycles, Madonna and Guy, as a kind of spiritual and emotional. It is important to realize that the test takes place on the level of the heart and anything that seems to be the cause of a disagreement has only a superficial meaning. In fact, the reasons are not important at all. Anything will do. Perhaps one of you wants to move, the other wants to stay. Or one wants to take an older relative into the house, the other doesn't. One wants children, the other doesn't. The reason is never the cause.

Remember this: The key ingredients needed to prevent your relationship from breaking down are loyalty, commitment, and honesty.

Madonna, your Personal Year for 2013 is 3

This is a year of expansion and personal growth, Madonna. It is a time of heightened personal expression. Creativity and artistic talent come to the forefront. You are lighthearted and drawn to all kinds of social events.

More than most other years, you will entertain and be entertained. You meet new and exciting people. It is a time to appreciate all that you have.

You are highly dynamic and charismatic. Your challenge is to avoid scattering your energies. You have a rare opportunity to bring forth new and creative ideas. But that requires discipline and focus.

It is easy to be optimistic and enthusiastic this year and this may result in speeding up your projects. Yet there will be delays and disappointments unless your enthusiasm is based upon the reality of work and concentration.

This is a pleasant time in which friendship is enjoyed and love shared easily.

This is often a good financial year, particularly if your creativity is well directed. Surround yourself with upbeat and positive people.

Madonna, you may travel more than usual, which in all likelihood will be filled with exciting people and pleasure.

Control this year's tendencies towards glamour and extravagance, yet allow yourself more room to enjoy and celebrate.

You communicate well this year and are more capable of getting your ideas across.

Love is in the air.

February brings changes; June sees the completion of a project and July signals a new beginning. August can be emotional, as can November.

Guy, your Personal Year for 2013 is 7

Guy, you will experience a strong tendency to spend more time alone, to delve inside and find some answers and to reach a better understanding of yourself. This is not a year for social activities nor is it a year to try and reach goals on a

Page 23

material level. You will find that the necessities of daily life seem to be taken care of by themselves. There is no need to be overly concerned regarding your material needs. Without slacking on your daily duties and responsibilities, you can afford to give more attention to yourself. This is a year for inner growth. It is your spiritual and mental presence that requires attention. Improve the quality of your life, read, contemplate and gain insight in yourself. You are important now. Rest and attend to your health. It is during this year that you strengthen the foundation of your life, after all your success in all matters rests upon the strength of your inner self. There will be many strange and unusual events inspiring you to take a closer look at life and an opportunity is there to experience the joy and beauty of life without any artificial or exterior involvement but purely the growing awareness of yourself. To much concern and desire for material rewards, Guy, will turn this period of your life into a very bad experience indeed, while a "let go and let god" attitude will make this such a fruitful and pleasant year that you may find yourself wondering what you did to deserve this.

Your Personal Year's compatibility for 2013 is 3 and 7

Two very different and completely opposite cycles are affecting your lives right now, Madonna and Guy. For Madonna, everything lightens up like a sunny day after a period of overcast skies, while for Guy this is a more serious time, a time of self-awareness and self-discovery. Your moods are different and you may find it hard to communicate clearly. Madonna may become frustrated with Guy and vice

versa. Madonna is in a light-hearted, optimistic cycle while Guy is serious and perhaps even moody and pessimistic. This difference can be offset by paying attention to each other's needs, in particular on the physical plane. Express your love for each other, as much as you can, in the most basic forms known to man; reach out and be there for each other. It is also important for Madonna to understand that the quiet, withdrawn mood that seems to dominate Guy is only temporary and represents a kind of healing. The soul is asking for attention and Guy is just responding. Sometimes, this combination of cycles causes a breakdown in a relationship. If you feel that you are approaching the danger zone within your relationship, Madonna and Guy, you will be able to overcome this by sharing your feelings as honestly as possible. And remember, you are both, but Guy in particular, strongly affected by this cycle. Remember also, that cycles, by their very nature, are only temporary. Patience and tolerance are the keywords to get through this challenging period.

Madonna, your Personal Year for 2014 is 4

This is a year to be organized and practical. Take care of details. Commit yourself entirely to your goals.

Page 24

Madonna, your concentration and ability to focus will be much improved over last year. You will have an attitude of realism and determination.

There can be a sense of limitation and some frustration this year. However, it is a year of important opportunities that must be seized. There can be considerable work-related travel.

You must be flexible this year to make full use of the opportunities that present themselves. It will require a combination of perseverance, hard work, and versatility.

You will receive recognition for your efforts and support from your friends and family.

It is a good year to buy real estate or remodel your home. It is also a good time to take care of projects which have been postponed for too long.

Fulfill your obligations and do not be afraid to spend some of that hard earned money. Selling and trading during this year usually is quite successful.

This is the year to work on your foundation and prepare yourself for the many changes that will undoubtedly come next year.

As a result of your hard work, there will be much satisfaction and a feeling of accomplishment.

January and February will bring some important change, a new opportunity perhaps. March requires self-reflection and reshaping of your plans. It is a good time to meditate on what lies ahead. June brings a new and important step -- a breakthrough, perhaps -- in your work. October brings changes and a sense of chaos. Madonna, you may feel threatened by the changes that are on the horizon. But November brings assistance in the form of a promotion or additional financial support.

Guy, your Personal Year for 2014 is 8

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Guy. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find

Page 25

yourself more clear and focused and able to pursue and reach your goals. Guy, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

Your Personal Year's compatibility for 2014 is 4 and 8

Madonna and Guy, this combination of cycles can be either very good or very bad. It provides no middle ground.

Metaphorically speaking, Madonna feels like someone who has to struggle through mud wearing heavy boots -- there is progress, but excruciatingly slow, and every step requires considerable effort. Guy, on the other hand, feels like everything is within arm's reach. All that is needed to achieve a goal and get a reward is simply

to reach out and grab it.

Together, these cycles either pull the best out of each other or enhance each other's negative influences. Guy's optimism and can-do attitude during this time can be for Madonna like a red flag for a bull, while Madonna's frustration and total focus on matters at hand can work like a cold shower on Guy's dynamic energy and optimism.

Or Madonna's efforts and dedication can be an inspiring influence to Guy, while Guy's upbeat energy will certainly uplift Madonna, alleviating much of Madonna's frustration and anxiety. To top it off, you will both be able to clearly recognize the effect you have on each other during this time. As a result, you will either feel love, gratitude, and appreciation for your partner, or anger and blame, depending on how you respond to each other's needs.

The key to getting the best out of this combination of cycles is to be aware of your partner's needs and state of mind, and not to get caught up in your own world to the extent that you don't know what is going on with the person you have chosen to be with.

PERSONAL MONTHS

Madonna, your Personal Month for March 2005 is 7

Madonna, March is a 7 Personal Month in a 4 Personal Year and should bring some significant changes in your outlook. Indeed, the month is filled with the mystery of life.

You are aware that you are developing spiritually. This is not a good time to

Page 26

deny important issues in your life, or be superficial about significant matters. Your dreams are vivid and if you take some time immediately after awakening to contemplate their meaning, you have the potential to gain some insights that uplifts you and raises your confidence in your life's direction.

You are mentally sharp and creative. You solve problems and gain insight into things that have floated in the background of your consciousness for some time.

It is a period of hard work -- possibly overtime -- juxtaposed with much soul-searching and the need for quiet contemplation.

You may be offered an opportunity to become involved in a new endeavor. Be careful with anything that promises a fast return. This year, long-term projects are far more favorable than get-rich-quick-schemes, or short-term gambles.

Your need for peace and quiet during this month may make your friends and family members wonder whether you have some problem that you are not willing to share.

Guy, your Personal Month for March 2005 is 2

Guy, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

Your Personal Month's compatibility for March 2005 is 7 and 2

Relationship compatibility of Personal Month cycles can have a powerful effect. But keep in mind: the cycle is short. So, if you run into turmoil, it helps to remember that it is in the nature of a cycle to be only temporary.

Note: The compatibility between cycles is repetitive, as is the nature of cycles. While the influence of Personal Month cycles represented by the same number, can vary greatly depending on the yearly cycle, the compatibility aspect changes very little. You will therefore find that the compatibility description is the same when, for example, a 3 and 4 Personal Month combination is found in a 5 year, as when it is found in a 6 year.

Page 27

Therefore, you will find that the possible influence of your Personal Month cycles never repeats itself within any one-hundred-and-eight-month period. However, the compatibility aspect repeats much more often - generally every nine months - but sometimes even less than that, depending on your Personal Year cycle.

Guy, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that Madonna is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. Madonna is going through a time of self-reflection, a time of spiritual wondering. For Madonna, this is a time when life

itself demands a lot of attention.

Guy, your best response is to focus on your own life. Quite different from Madonna, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Guy should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Guy and Madonna, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

Madonna, your Personal Month for April 2005 is 8

Madonna, April is an 8 Personal Month in a 4 Personal Year. It promises to be rewarding financially as well as in other areas of life. There is a catch: It is essential to take care of details, to be reliable, and to keep things organized. If you allow yourself to get sloppy in any of these areas, the results could be disastrous. Still, the combination of numbers

(8 and 4) gives you ample support in all efforts at organization and management. Respect, recognition, financial reward come to those who are careful. Financial problems and struggle (some may even experience bankruptcy) come to those who are careless. The more you stay clear and focused, the higher the rewards will be.

Relationships that are not related to work are not a high priority this month. Madonna, your attention should be given towards career and finances, as well as to people who play important roles in those areas of your life. The advice for this month is to get up early, put your nose to the grindstone, be organized, and don't hesitate to move yourself to the foreground in your work-environment. If you are due for a raise, ask for it. If a business associate is not fulfilling his/her duties, confront that person. If a payment is due, call it in.

Page 28

Guy, your Personal Month for April 2005 is 3

Guy, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Guy, your self-expression and sense of humor improve, and it is easy to make new friends during this time.

Your Personal Month's compatibility for April 2005 is 8 and 3

Creativity, optimism, and inspiration are the main ingredients in Guy's cycle. Ambition, goals, and financial rewards are the components ruling Madonna's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each other. Guy and Madonna, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Guy is inspired and active, but not focused on goals so much as on the activities themselves, while Madonna is completely focused on the bottom line. As a result, Madonna may feel Guy is irresponsible. Guy, on the other hand, may feel that

Page 29

Madonna is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.

Madonna, your Personal Month for May 2005 is 9

Madonna, May is a 9 Personal Month in a 4 Personal Year and may introduce some emotional turmoil due to a relationship gone awry.

A friend or co-worker has let you down. Your trust has been damaged and you realize that this is not just a temporary disappointment but the conclusion of the relationship. While you have reason to be angry, you should avoid self-righteousness.

You may want to remember that you are not without fault. This allows the anger and disappointment to turn into understanding and forgiveness, even if the situation can not be saved.

As a way of healing this type of wound, life may offer you the opportunity to become involved in a good cause. Sacrificing some of your time and energy will prove very rewarding and will deliver some benefits that are not immediately obvious.

This month, your health requires some special attention, particularly your digestive tract. Watch what you eat. Avoid excesses.

It is possible that your career is heading for a change of direction, which may be of some concern for you. Look to next month for some insight into that aspect of your life.

Guy, your Personal Month for May 2005 is 4

Guy, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

Page 30

Your Personal Month's compatibility for May 2005 is 9 and 4

Guy and Madonna, the four and the nine are not the most compatible of cycles. As a matter of fact, this combination often causes emotional turmoil within a relationship, in part because Madonna is at the end of a series of cycles, a time when one's feelings and emotions are always unpredictable. Madonna needs to let go of the old and prepare for the new, and letting go invariably brings on powerful emotions. Guy, on the other hand, is experiencing a time during which there is little room for feelings or sensitivity of any kind. Guy's focus is on practical matters: career, work, taking care of details, effort and discipline. Guy needs to see results and progress.

This is a time when Madonna needs Guy to offer understanding and to show that you are walking the same road towards common goals. In contrast, Guy would rather see Madonna getting on with the more mundane business at hand.

Guy and Madonna, you must be conscious of the fact that you are going through very different stages and, at this time, the best advice for both of you is to try to be as close to each other as you can be. Take the effort to focus on your partner and not on yourself. Most importantly, get away from the daily grind and do things you enjoy doing together as often as you can manage: go to the movies or go dancing, or paint the town red if necessary.

Madonna, your Personal Month for June 2005 is 1

Madonna, June is a 1 Personal Month in a 4 Personal Year. It gives you a new start in some area of your life, perhaps career, or a some new project or endeavor.

This is a month of promise and opportunity. Your energy-level increases, as does your excitement for your new direction.

This period requires courage and flexibility. You should also be more verbal: Express your thoughts and feelings; inspire and motivate others to follow your lead.

You may have a difficult time relaxing or enjoying yourself outside working hours. But it's important that you do just that.

An attraction to someone at work may signal danger to you. Even if you are committed, this attraction will prove quite powerful. Be careful. It may damage your future in many ways, not least of which is your career. Consider postponing any action in this area.

Guy, your Personal Month for June 2005 is 5

Guy, June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go

Page 31

with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

Your Personal Month's compatibility for June 2005 is 1 and 5

This is a highly compatible combination, Madonna and Guy. Madonna is at the brink of a new direction where signs of opportunity and progress are very clear. Guy also faces a dynamic time, but a period in which little goes according to plan. If you had to draw a schematic of these cycles, the one cycle as found in Madonna's chart would probably show a straight line throughout the period, perhaps a few bends and curves, but all clearly going in one direction. As in Guy's schematic, the five cycle would be represented by nothing but curves and bends alongside very few straight lines. So, the conclusion is: the whole cycle is about change and movement. Madonna and Guy, for both of you this is a time in which you may have less opportunity – and even less desire – to pay a lot of attention to each other. You would do well accepting that from the beginning so neither of you will feel left out and ignored. You are both going to have your hands full and need to apply yourself to your own needs and desires. For Guy, the keyword is discipline. Try to stay focused but be flexible at the same time. For Madonna, the keyword is drive. Take advantage of your energy and do your best to reach your goals. It sounds like a contradiction, but if you both apply yourself to your own needs, you will be doing each other a favor and the chances of disrupting your relationship will be smaller. Rest assured; you will be spending lots of time together next cycle, when the two and the six rule.

Madonna, your Personal Month for July 2005 is 2

Madonna, July is a 2 Personal Month in a 4 Personal Year. At this time, your

Page 32

relationship with the people in your work or business environment is extremely important. You will need to be sensitive to their needs and desires and you will probably be called upon to play the role of mediator in a conflict between some of these people. Your success in that role will directly affect your future.

You may be disturbed by these new challenges because they emerge at a time when your workload is considerable. However, you are more sensitive and better able to discern the true basis of the conflict this month.

Madonna, your enhanced sensitivity also helps you in other areas of your life. Romance is strongly represented but should be kept out of the work environment, which may not be an easy thing to do.

You may have the opportunity to go to a concert or some other musical event and because of your enhanced sensitivity, such events will prove very therapeutic.

Pamper yourself in healthful ways, such as massage, a new exercise and dietary regime, or some time near the ocean, in the mountains, in the forest.

Guy, your Personal Month for July 2005 is 6

Guy, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Guy, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

Your Personal Month's compatibility for July 2005 is 2 and 6

No two cycles are so completely involved with the heart as the 2 and the 6. Madonna and Guy, this is a combination of cycles that has only two possible outcomes. Simply put it is either very good or very bad. There is not much room in

Page 33

the middle.

You will almost certainly experience some major disagreements. It is in how you handle them that makes all the difference. And it is the strength of your love, and the depth of your feelings, that influence the way you respond. Therefore, you can see this combination of cycles, Madonna and Guy, as a kind of spiritual and emotional. It is important to realize that the test takes place on the level of the heart and anything that seems to be the cause of a disagreement has only a superficial meaning. In fact, the reasons are not important at all. Anything will do. Perhaps one of you wants to move, the other wants to stay. Or one wants to take an older relative into the house, the other doesn't. One wants children, the other doesn't. The reason is never the cause.

Remember this: The key ingredients needed to prevent your relationship from breaking down are loyalty, commitment, and honesty.

Madonna, your Personal Month for August 2005 is 3

Madonna, August is a 3 Personal Month in a 4 Personal Year and is a good time for some relaxation. You will find your workload a little less demanding and may want to take some time off.

You are upbeat and optimistic and able to inspire and uplift others. Do not take matters so seriously this month. It's a time of enhanced creativity and practical application.

You are original in your approach to problem-solving. You receive inspiring ideas and are able to turn some of them into reality. You impress others with your deep understanding of the issues.

This month also brings spiritual realizations and insights.

You are more aware of the underlying forces that are at play in your life and in the world around you.

The challenge of this month is in overcoming a fear. Madonna, you may find yourself confronting some injustice. It may be necessary to meet that injustice alone. Stand up for yourself!

Be wise, but do not seek to avoid the issues.

Guy, your Personal Month for August 2005 is 7

Guy, August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and

Page 34

impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Guy, you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

Your Personal Month's compatibility for August 2005 is 3 and 7

Two very different and completely opposite cycles are affecting your lives right now, Madonna and Guy. For Madonna, everything lightens up like a sunny day after a period of overcast skies, while for Guy this is a more serious time, a time of self-awareness and self-discovery. Your moods are different and you may find it hard to communicate clearly. Madonna may become frustrated with Guy and vice versa. Madonna is in a light-hearted, optimistic cycle while Guy is serious and perhaps even moody and pessimistic.

This difference can be offset by paying attention to each other's needs, in particular on the physical plane. Express your love for each other, as much as you can, in the most basic forms known to man; reach out and be there for each other. It is also important for Madonna to understand that the quiet, withdrawn mood that seems to dominate Guy is only temporary and represents a kind of healing. The soul is asking for attention and Guy is just responding. Sometimes, this combination of cycles causes a breakdown in a relationship. If you feel that you are approaching the danger zone within your relationship, Madonna and Guy, you will be able to overcome this by sharing your feelings as honestly as possible. And

remember, you are both, but Guy in particular, strongly affected by this cycle. Remember also, that cycles, by their very nature, are only temporary. Patience and tolerance are the keywords to get through this challenging period.

Madonna, your Personal Month for September 2005 is 4

Madonna, September is a 4 Personal Month in a 4 Personal Year. Six months or a year from now, you will look back at this month and realize that in some way it represented a turning point on your path to success.

However, you may feel frustrated during this month and wonder why everything

Page 35

is moving so slow. In a way, it seems that life has you in a straight-jacket, but in fact you are being protected from yourself. The emphasis is on the irritating and seemingly unnecessarily details. You are forced to deal with things you consider a waste of time. These loose ends can no longer be ignored, but you feel frustrated by the limitations of time and the massive amount of work.

The situation is, in fact, two-sided: One side is effort, the other reward. You are being prepared to take full advantage of a string of opportunities that will begin next month, and will continue all next year. The challenge for you is to keep up. For that reason, you must finish the work in front of you now, to make room for the opportunities to come.

Meanwhile, guard your health, especially against the effects of stress and frustration. Madonna, you would do well to eat healthy foods and in a regular and orderly fashion. Go to bed early; read to widen your view and escape. Do not dwell on the negative. Leave affairs of the heart to themselves for a while, until this intense period passes.

Late this month, you will start to see the light at the end of the tunnel, but looking back you will be grateful and relieved that you took on this process of re-organizing the basics in both, your work and your personal life.

Guy, your Personal Month for September 2005 is 8

Guy, September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Guy, you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Page 36

Social events are highly favorable and there will be ample opportunity for that.

Your Personal Month's compatibility for September 2005 is 4 and 8

Madonna and Guy, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Madonna, your Personal Month for October 2005 is 5

Madonna, October is a 5 Personal Month in a 4 Personal Year. It brings opportunity and change. You may be asked to go on a trip related to work or business. This trip is unexpected but will bring very positive results. Another possibility is that you are offered a transfer and promotion. Either way, there will be changes in your environment.

Now is the time to take some chances, to promote your self unabashed, and to reach out to other possible sources of income. If you are in sales or business, this is one of the most promising times of your life. If your work is more service-oriented, you may receive a long-awaited promotion.

Friends and family members are supportive. Romance is exciting. This is a dynamic month in all respects and will wipe away the frustrations of last month. However, a warning is in place: You may have a tendency to make impulsive decisions, to be a little irresponsible, and to put your foot in your mouth. This

hectic and dynamic month brings with it some chaos, and restraint is needed in order to maintain some control over the events.

Guy, your Personal Month for October 2005 is 9

Guy, October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your

Page 37

life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

Guy, you are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

Your Personal Month's compatibility for October 2005 is 5 and 9

Madonna and Guy, this combination of cycles can be quite challenging. Almost certainly, this is a bit of a trying time for Guy, who feels somewhat at a loss as to where to go next, what the future holds, and so forth. There are few answers for many of the doubts and questions. The current cycle for Guy feels like the end of a long, long day, when one is worn out, energy is low and one is emotionally charged and insecure. Don't worry too much, Guy, the next cycle will bring in a whole different energy, much more uplifting, inspiring, and powerful. On Madonna's side, it will be a period of more energy and less patience than usual. And patience is exactly what Guy needs. Therefore, the most important ingredient necessary to make this period as good as it can be, is for Madonna to muster up as much patience as possible and use it to comfort and support Guy. And, if things get a bit difficult during this time, Madonna and Guy, keep in mind that you are under the powerful influence of cycles that are not very compatible. And cycles are, by nature, only temporary.

Madonna, your Personal Month for November 2005 is 6

Madonna, November is a 6 Personal Month in a 4 Personal Year. It offers the chance to strengthen your foundation in life. You pay close attention to the needs of your family and circle of friends. You are serious and responsible in all matters related to career and receive recognition and respect for that.

Page 38

Financially, this could be a good month with an unexpected reward coming sometime during the last week. In many ways, this month brings blessings and can be very satisfying.

Your workload is considerable but doesn't burden you as much as it did during other times of this year. You have the energy and feel confident that you are now moving in the right direction. Feelings of insecurity and frustration that loomed so prominently during most of this year are disappearing. Madonna, your friends and family members display strong signs of loyalty and feelings are expressed more freely. One or more of your friends or relatives needs a boost and comes to you for help. You are happy with the opportunity to help out in a practical way as well as with moral support. You play the role of (m)patriarch.

The only troubling experience during this month will be the need to deal diplomatically and tactfully with a long-standing problem, perhaps with someone at work. A basic personality conflict has been the cause of friction between you and a co-worker, and this can no longer be ignored. Tension will come to a head but there is an opportunity to turn a difficult relationship into one of tolerance and mutual respect.

Guy, your Personal Month for November 2005 is 1

Guy, November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

Your Personal Month's compatibility for November 2005 is 6 and 1

Page 39

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, Madonna may, at the same time, be the target of too much attention by someone else. In the meantime, Guy will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Guy to start paying attention to Madonna. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible, even if that proves to be somewhat inconvenient.

There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

Madonna, your Personal Month for December 2005 is 7

Madonna, December is a 7 Personal Month in a 4 Personal Year. It's a fitting end for this year. You now enter a period of introspection, contemplation, and meditation, similar to that experience in March. December focuses you on inner-growth and soul-searching. However, that is where the similarities end.

December is a much more comfortable time for such an inward-journey and expansion of your consciousness. There will be plenty of opportunity to withdraw, to seek the quiet. Whether you enjoy this time depends on whether you value such an experience.

This has been a year of hard work and, at times, frustration, but the work will pay off. You are now more aware of that, and even that the year was well-spent.

Understanding the value of day-dreaming and contemplation is more difficult as a result of this society's emphasize on action and result. However, the quiet, "un-productive" times of this month will be at least as rewarding, spiritually as well as practically. It allows for deep inner-contentment and a fuller awareness of the love and goodwill of others.

Only the 4 Personal Year closes with such a beautiful and fitting counter-balance to a difficult and busy year.

Guy, your Personal Month for December 2005 is 2

Guy, December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Page 40

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Guy, your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

Your Personal Month's compatibility for December 2005 is 7 and 2

Guy, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that Madonna is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. Madonna is going through a time of self-reflection, a time of spiritual wondering. For Madonna, this is a time when life itself demands a lot of attention.

Guy, your best response is to focus on your own life. Quite different from Madonna, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Guy should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Guy and Madonna, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

Madonna, your Personal Month for January 2006 is 6

Madonna, January is a 6 Personal Month in a 5 Personal Year. All during this month the focus is on your attitude towards friends, co-workers, and family members. You are in a position to improve relationships in all areas. You are warm-hearted and more outgoing than usual. Others are attracted to your

Page 41

optimistic disposition and several people close to you will come to you for advice and comfort.

The month may bring a turbulent new relationship into your life. The initial introduction may start off a little awkward, even cause some friction. You will need to be tolerant and understanding. Even if you feel sure that your point of view is correct, a hardheaded, stubborn approach is not beneficial.

On the contrary, the true purpose of this conflict is an opportunity for you to reach out and earn the appreciation and respect of this person by freely demonstrating your own.

Other, more practical changes are also in the picture. Many will make changes in their office, residence, or work routine.

Madonna, you may get some strong signals that your career may receive a boost in the very near future, which only buoys your optimism.

If you are single, this is an excellent month to be social and meet new people.

Guy, your Personal Month for January 2006 is 1

Guy, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

Your Personal Month's compatibility for January 2006 is 6 and 1

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and

Page 42

challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, Madonna may, at the same time, be the target of too much attention by someone else. In the meantime, Guy will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Guy to start paying attention to Madonna. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible, even if that proves to be somewhat inconvenient.

There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

Madonna, your Personal Month for February 2006 is 7

Madonna, February is a 7 Personal Month in a 5 Personal Year and finds you more inwardly focused. Self-reflection and contemplation bring spiritual clarity and growth. At the same time, your career improves and you manage to impress important people. Doors that have been closed open and offer access to opportunities. Financially, this month may also show some progress but the emphasize is more on opportunities and your ability to take advantage of them.

Warnings are justified in two areas. Your dynamism and excitement may cause you to be somewhat insensitive at times. Also, you would rather plan and discuss future endeavors than to put forth the effort required to take full advantage of current opportunities.

Key-words to make this month a success are caution and discipline.

If you are married or otherwise committed, you may feel a little distant from your partner. This is temporary and does not require any special attention. If you are single, romance is not a high priority.

Minor health problems that have not been treated may come to the foreground. This is a good month to apply discipline to your eating habits and to step-up your exercise regimen.

Guy, your Personal Month for February 2006 is 2

Guy, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as

Page 43

well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

Your Personal Month's compatibility for February 2006 is 7 and 2

Guy, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that Madonna is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. Madonna is going through a time of self-reflection, a time of spiritual wondering. For Madonna, this is a time when life itself demands a lot of attention.

Guy, your best response is to focus on your own life. Quite different from Madonna, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Guy should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Guy and Madonna, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

Madonna, your Personal Month for March 2006 is 8

Madonna, March is an 8 Personal Month in a 5 Personal Year. It is a time to be careful in all financial matters. Issues involving money take center stage. More people go bankrupt or make a killing during this period than with almost any other number combination. Now, especially, you are required to balance the material and the spiritual. If you are considering a major purchase that involves long-range financing -- such as buying a house or a car -- but you question whether you can fulfill the obligation, you would do well to wait until the second half of May before acting.

The worlds of work and personal relationships require opposite approaches this month. A certain amount of aggression in career and business matters is

Page 44

favorable. Promote your ideas.

Put out effort. Work harder and longer than is required. On the other hand,

your personal life requires patience and understanding -- both of others and yourself. You may want to clear the air between you and a loved one, but you have difficulty overcoming your fear of being misunderstood. Or perhaps you are not clear about what you feel. Try putting your thoughts on paper first to achieve a higher degree of clarity.

Guy, your Personal Month for March 2006 is 3

Guy, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Guy, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

Your Personal Month's compatibility for March 2006 is 8 and 3

Creativity, optimism, and inspiration are the main ingredients in Guy's cycle. Ambition, goals, and financial rewards are the components ruling Madonna's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each other. Guy and Madonna, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Guy is inspired and active, but not focused on goals so much as on the activities

Page 45

themselves, while Madonna is completely focused on the bottom line. As a result, Madonna may feel Guy is irresponsible. Guy, on the other hand, may feel that Madonna is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.

Madonna, your Personal Month for April 2006 is 9

Madonna, April is a 9 Personal Month in a 5 Personal Year. It brings a certain amount of completion in both your personal life and career. It is time to let go and prepare for new adventures. It is necessary to keep a close eye on the details, particularly those related to your finances. Check your bank balance regularly and make sure you save the receipts for deposits and other transactions.

There are indications of up-coming changes in your work environment; you are in the unique position to move to the spotlight. Self-promotion is favorable. You are a little more emotional and vulnerable and may have a tendency to make mountains out of molehills, however.

Someone you care about is leaving, being transferred, or going on a long trip.

Social events make this a hectic month and a certain amount of moderation and discipline is needed.

Guy, your Personal Month for April 2006 is 4

Guy, April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

Your Personal Month's compatibility for April 2006 is 9 and 4

Guy and Madonna, the four and the nine are not the most compatible of cycles. As a matter of fact, this combination often causes emotional turmoil within a

relationship, in part because Madonna is at the end of a series of cycles, a time when one's feelings and emotions are always unpredictable. Madonna needs to let go of the old and prepare for the new, and letting go invariably brings on powerful emotions. Guy, on the other hand, is experiencing a time during which there is little room for feelings or sensitivity of any kind. Guy's focus is on practical matters: career, work, taking care of details, effort and discipline. Guy needs to see results and progress.

This is a time when Madonna needs Guy to offer understanding and to show that you are walking the same road towards common goals. In contrast, Guy would rather see Madonna getting on with the more mundane business at hand. Guy and Madonna, you must be conscious of the fact that you are going through very different stages and, at this time, the best advice for both of you is to try to be as close to each other as you can be. Take the effort to focus on your partner and not on yourself. Most importantly, get away from the daily grind and do things you enjoy doing together as often as you can manage: go to the movies or go dancing, or paint the town red if necessary.

Madonna, your Personal Month for May 2006 is 1

Madonna, May is a 1 Personal Month in a 5 Personal Year. It brings a sense of freshness or a new beginning in your personal life and career. You are more energetic and decisive than last month; this will help you cope with the hectic pace this month brings. This is a time of opportunity and the need to adapt quickly. You have been selected to play an important role in some new endeavor. This is an opportunity to move your career forward but it requires courage and the willingness to sacrifice some short-term goals.

Financially, this is a dangerous time because of the tendency to splurge.

If you are single, you may well be introduced to someone very interesting and attractive. If married, romance is rekindled. Still, new romantic relationships started under this number combination tend to burn out quickly. The attraction is physical and immediate, but may falter as soon as it is put to the test. Even if you are already committed you may well find yourself eye to eye with someone very attractive, in which case you may have to show considerable restraint in order to avoid a situation you may later regret.

Guy, your Personal Month for May 2006 is 5

Guy, May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you

also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. Guy, you need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

Your Personal Month's compatibility for May 2006 is 1 and 5

This is a highly compatible combination, Madonna and Guy. Madonna is at the brink of a new direction where signs of opportunity and progress are very clear. Guy also faces a dynamic time, but a period in which little goes according to plan. If you had to draw a schematic of these cycles, the one cycle as found in Madonna's chart would probably show a straight line throughout the period, perhaps a few bends and curves, but all clearly going in one direction. As in Guy's schematic, the five cycle would be represented by nothing but curves and bends alongside very few straight lines. So, the conclusion is: the whole cycle is about change and movement. Madonna and Guy, for both of you this is a time in which you may have less opportunity – and even less desire - to pay a lot of attention to each other. You would do well accepting that from the beginning so neither of you will feel left out and ignored. You are both going to have your hands full and need to apply yourself to your own needs and desires. For Guy, the keyword is discipline. Try to stay focused but be flexible at the same time. For Madonna, the keyword is drive. Take advantage of your energy and do your best to reach your goals. It sounds like a contradiction, but if you both apply yourself to your own needs, you will be doing each other a favor and the chances of disrupting your relationship will be smaller. Rest assured; you will be spending lots of time together next cycle, when the two and the six rule.

Madonna, your Personal Month for June 2006 is 2

Madonna, June is a 2 Personal Month in a 5 Personal Year and it enhances your insight into the motivations and emotions of others. You play the role of counselor several times this month. Your intuitive powers are also enhanced, but this does not extend to money matters. It's not a good time to take financial risks.

There are changes taking place in many areas of your life this year, and the general instability is felt strongly this month.

Page 48

Study and reading are more favorable, especially when related to your career. The focus is on relationships at work and at home. You need to trust others enough to open up your heart and reveal your deeper feelings. This is a good time to release some bottled-up feelings.

Romance also plays an important role this month, particularly if you are involved in a relationship that originated fairly recent. Madonna, your enhanced sensitivity and intuition helps you to see the deeper meanings and values, which make the relationship stronger or....cause a permanent break. A critical issue here, is your ability to express your true feelings. Communicate!

An unexpected invitation to visit a friend or relative in some distant town may inspire you to pack your bags and go. This will turn out to be beneficial.

Guy, your Personal Month for June 2006 is 6

Guy, June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

Your Personal Month's compatibility for June 2006 is 2 and 6

No two cycles are so completely involved with the heart as the 2 and the 6. Madonna and Guy, this is a combination of cycles that has only two possible outcomes. Simply put it is either very good or very bad. There is not much room in the middle.

You will almost certainly experience some major disagreements. It is in how you handle them that makes all the difference. And it is the strength of your love, and the depth of your feelings, that influence the way you respond. Therefore, you can see this combination of cycles, Madonna and Guy, as a kind of spiritual and emotional. It is important to realize that the test takes place on the level of the heart and anything that seems to be the cause of a disagreement has only a superficial meaning. In fact, the reasons are not important at all. Anything will do. Perhaps one of you wants to move, the other wants to stay. Or one wants to take an older relative into the house, the other doesn't. One wants children, the other

Page 49

doesn't. The reason is never the cause.

Remember this: The key ingredients needed to prevent your relationship from breaking down are loyalty, commitment, and honesty.

Madonna, your Personal Month for July 2006 is 3

Madonna, July is a 3 Personal Month in a 5 Personal Year. Money matters come to the foreground; debts are called in and close attention should be paid to your bank account.

Your ability to influence the ideas and opinions of others works in your favor and may create a new source of income.

This is also a good time to promote yourself. If you have considered upgrading your resume or trying out for that new position you have been considering, now is the time to do it.

A career change is also possible as a result of outside forces. You are more creative.

You feel somewhat restless and impulsive and are willing to take risks for the sole reason that you need a change. There is a tendency to be somewhat scattered and even a little irresponsible during this cycle.

Madonna, your domestic environment also becomes a source of restlessness and you may have to guard against irrational behavior from your side. At the same time, you reach out to old friends and relatives you have not been in touch with for some time.

Your emotional state is a little turbulent causing you to be moody. Try to maintain equilibrium. This is a month to be somewhat detached from the events and circumstances surrounding your life. Don't take yourself too serious, and, if possible, take some time off for a vacation. It's a good time to recharge your batteries.

Guy, your Personal Month for July 2006 is 7

Guy, July is a 7 Personal Month in a 9 Personal Year. It represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come.

Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition, and have faith in yourself and your Creator.

Guy, your career and finances are not priorities, except when they relate to

Page 50

plans you may have for the future.

This is a time to prepare for the long-term, not to reach for immediate rewards.

Your Personal Month's compatibility for July 2006 is 3 and 7

Two very different and completely opposite cycles are affecting your lives right now, Madonna and Guy. For Madonna, everything lightens up like a sunny day after a period of overcast skies, while for Guy this is a more serious time, a time of self-awareness and self-discovery. Your moods are different and you may find it hard to communicate clearly. Madonna may become frustrated with Guy and vice versa. Madonna is in a light-hearted, optimistic cycle while Guy is serious and perhaps even moody and pessimistic.

This difference can be offset by paying attention to each other's needs, in particular on the physical plane. Express your love for each other, as much as you can, in the most basic forms known to man; reach out and be there for each other. It is also important for Madonna to understand that the quiet, withdrawn mood that seems to dominate Guy is only temporary and represents a kind of healing. The soul is asking for attention and Guy is just responding. Sometimes, this combination of cycles causes a breakdown in a relationship. If you feel that you are approaching the danger zone within your relationship, Madonna and Guy, you will be able to overcome this by sharing your feelings as honestly as possible. And remember, you are both, but Guy in particular, strongly affected by this cycle. Remember also, that cycles, by their very nature, are only temporary. Patience and tolerance are the keywords to get through this challenging period.

Madonna, your Personal Month for August 2006 is 4

Madonna, August is a 4 Personal Month in a 5 Personal Year. Your career may be demanding and a bit frustrating. You need to attend to routine matters, some of which may be boring. This is not a time to slack. Don't procrastinate. Commit to your responsibilities and see projects through to completion.

This month could bring a welcome opportunity on the job front, but your success will depend upon your willingness to stand up for yourself, to take charge of circumstances, and refuse to be victimized by outside events. You need the courage to stand up for your beliefs, to "do the right thing."

Make important changes in your life. Such as start a diet and/or exercise regimen, quit smoking, dedicate yourself to a good cause, and reconnect to your higher spiritual values. This is the month to make fundamental and positive long-term changes in your life.

It's important to demonstrate to those around you that you are dependable and can be relied upon. This affects both your work and love life. You will impress all of those around you with your sense of duty and trustworthiness.

Page 51

Guy, your Personal Month for August 2006 is 8

Guy, August is an 8 Personal Month in a 9 Personal Year. It brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance.

Use any extra income you might have to pay off your debts.

You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change, or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

Your Personal Month's compatibility for August 2006 is 4 and 8

Madonna and Guy, this combination of cycles can be either very good or very bad. It provides no middle ground.

Metaphorically speaking, Madonna feels like someone who has to struggle through mud wearing heavy boots -- there is progress, but excruciatingly slow, and every step requires considerable effort. Guy, on the other hand, feels like everything is within arm's reach. All that is needed to achieve a goal and get a reward is simply to reach out and grab it.

Together, these cycles either pull the best out of each other or enhance each other's negative influences. Guy's optimism and can-do attitude during this time can be for Madonna like a red flag for a bull, while Madonna's frustration and total focus on matters at hand can work like a cold shower on Guy's dynamic energy and optimism.

Or Madonna's efforts and dedication can be an inspiring influence to Guy, while Guy's upbeat energy will certainly uplift Madonna, alleviating much of Madonna's frustration and anxiety. To top it off, you will both be able to clearly recognize the effect you have on each other during this time. As a result, you will either feel love, gratitude, and appreciation for your partner, or anger and blame, depending on how you respond to each other's needs.

The key to getting the best out of this combination of cycles is to be aware of your partner's needs and state of mind, and not to get caught up in your own world to

Page 52

the extent that you don't know what is going on with the person you have chosen to be with.

Madonna, your Personal Month for September 2006 is 5

Madonna, September is a 5 Personal Month in a 5 Personal Year. The hectic pace of last month continues. However, the nature of activities is quite different. You are challenged to keep up with events and influences that, at times, appear out of your control. If you can be flexible and adaptable, you will cruise through this month comfortably and successfully. Let old plans, expectations, and concepts go. Otherwise, stress may take a physical toll.

If you are willing to take the changes in stride and "go with the flow", you will find yourself in a better position in career as well as personal life by the end of this month.

This is an adventurous, dynamic, and progressive time, with less focus on details and routine stuff. Social events and romantic adventures highlight the month. The word "adventure" is the operative word: few romances that begin during this time have the emotional depth and substance needed to survive the test of time. However, any relationship begun now still has much to teach you about life and love, so be open to all the possibilities.

Be warned, however. Madonna, you may have a tendency for over-indulging your senses this month. Moderation is wisdom.

Your health may cause you some concern. In most cases, this is the body reacting to changes that have taken place during the course of this year and are only temporary. If problems persist, seek the advice of health counselor or physician.

Guy, your Personal Month for September 2006 is 9

Guy, September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

Page 53

Your Personal Month's compatibility for September 2006 is 5 and 9

Madonna and Guy, the influences and compatibility of this month's cycle are already incorporated in the compatibility as described in the section of this year's Personal Year cycle. An analysis of this month's compatibility is therefore redundant. You may, however, want to take another look at the description of the compatibility of this year's Personal Year cycle, keeping in mind that the compatibility for this month will reflect the same influences.

Madonna, your Personal Month for October 2006 is 6

Madonna, October is a 6 Personal Month in a 5 Personal Year. It brings stability to the dynamic changes the year has presented. Expect increased responsibility, recognition, and perhaps a raise or promotion.

This month shifts the focus to relationships with family and friends. You share greater closeness with loved ones and may find yourself giving and receiving comfort and advice. Loyalty and trust are fundamental to your well being this

month.

If you are unwilling to trust or abuse the trust of someone else, you could experience the break-up of a relationship. Share your feelings.

If you are single, a new and lasting romance is possible.

If you already have a relationship, this is the time to commit. All affairs of the heart are positively highlighted. Health problems will also take a turn for the better.

Guy, your Personal Month for October 2006 is 1

Guy, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Guy, you may meet someone

Page 54

who becomes a permanent fixture in your life.

Your Personal Month's compatibility for October 2006 is 6 and 1

Your commitment to each other will be tested during this time, when outside influences may be affecting you in a negative way. You will need to trust and to rely on each other. It is quite likely that jealousy will rear its ugly head and it is good to understand right away that blame is not the answer. Turmoil will be around and the relationship will lack stability. This is one of the most difficult and challenging combinations, and it is important to remember that your greatest strength is found in your faith in each other. While going through stages of doubt and insecurity, Madonna may, at the same time, be the target of too much attention by someone else. In the meantime, Guy will tend to be very focused on goals and career, and may be somewhat oblivious to the signals that would otherwise warn Guy to start paying attention to Madonna. For both of you, the answer lies in a conscious effort to be as much a part in your partner's life as possible, even if that proves to be somewhat inconvenient.

There is also a strong possibility of a birth in the family. This combination of cycles often represents the birth of a child. If that is the case, everything changes and the relationship becomes much stronger.

Madonna, your Personal Month for November 2006 is 7

Madonna, November is a 7 Personal Month in a 5 Personal Year and directs the focus to your inner self. Some people experience this month as lonely but it doesn't have to be.

You will be inspired to refine your understanding of your place in the universe. Spiritual growth will be of primary interest to you now.

Spend time considering what you are going to do with the rest of your life. Search your soul, define your priorities, and plan your future. Study and read and think.

You are observant and insightful.

Put romance, career, and financial matters on the back burner this month. There will be plenty of time for that later. If you direct all your effort toward honest self-confrontation, your future progress will be insured.

Guy, your Personal Month for November 2006 is 2

Guy, November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of

Page 55

your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

Your Personal Month's compatibility for November 2006 is 7 and 2

Guy, this is not a time to pay too much attention or attach much value to your emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that Madonna is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. Madonna is going through a time of self-reflection, a time of spiritual wondering. For Madonna, this is a time when life itself demands a lot of attention.

Guy, your best response is to focus on your own life. Quite different from Madonna, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Guy should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Guy and Madonna, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

Madonna, your Personal Month for December 2006 is 8

Madonna, December is an 8 Personal Month in a 5 Personal Year and will be rewarding in many areas of life. This is a good time for business and money matters. But don't indulge in spending money to impress others or flaunt your success.

The 8 Personal Month brings balance in all material matters. Expect some recognition in your working environment, perhaps a bonus or promotion.

This is an excellent time to promote some of your ideas or any other input you have in relation to your career.

Page 56

Romance is favorable too. Express your love. You will be more attractive than usual to members of the opposite sex.

Guy, your Personal Month for December 2006 is 3

Guy, December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

Guy, you are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

Your Personal Month's compatibility for December 2006 is 8 and 3

Creativity, optimism, and inspiration are the main ingredients in Guy's cycle. Ambition, goals, and financial rewards are the components ruling Madonna's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each other. Guy and Madonna, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Guy is inspired and active, but not focused on goals so much as on the activities themselves, while Madonna is completely focused on the bottom line. As a result, Madonna may feel Guy is irresponsible. Guy, on the other hand, may feel that Madonna is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.

Madonna, your Personal Month for January 2007 is 7

Page 57

Madonna, January is a 7 Personal Month in a 6 Personal Year and brings stability and clarity. Your career shows promise, but there is not any promotion or practical gain just yet.

If you are involved in legal affairs or have wanted to take care of something that involves the law, this month is a good time to start the necessary procedures. You may be notified of an impending legal procedure that affects you or a loved one.

Study or read and enjoy the much needed quiet after last year's hectic pace. Domestic affairs play a major role during this year and begin now. However, you will be feeling more intellectual than emotional during this month. Tolerance and forgiveness will not come naturally and you could be a little self-righteous. Try to be more flexible.

Guy, your Personal Month for January 2007 is 2

Guy, January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the second of those years. Guy, your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply.

Friendships intensify and can be very comforting and healing.

You will likely find yourself being helpful to others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others.

You will be tactful and capable of creating harmony where there was turmoil. At times, you may be overly sensitive, and may not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

Your Personal Month's compatibility for January 2007 is 7 and 2

Guy, this is not a time to pay too much attention or attach much value to your

Page 58

emotional ups and downs. This is a time for you to swallow your pride, ignore any possible hurts, and to focus on what you want. During this time, you may occasionally feel that Madonna is a bit distant and seems to live in a world that doesn't include you. In a way, this is true. Madonna is going through a time of self-reflection, a time of spiritual wondering. For Madonna, this is a time when life itself demands a lot of attention.

Guy, your best response is to focus on your own life. Quite different from Madonna, who is consciously or sub-consciously, involved on a deep level with the mystery of life and all its manifestations, Guy should be focused on the practical side of living; career, the home, finances, and so forth. If you both feel that each of you is more involved in yourself than in each other, take heart in the fact that this is not per se a bad thing. You play different roles right now and should allow each other the space and freedom to do that. Guy and Madonna, it is only when you try to force your partner to move into your world, that the relationship might get damaged. Otherwise, the relationship is actually quite safe since neither one of you has any desire to rock the boat.

Madonna, your Personal Month for February 2007 is 8

Madonna, February is an 8 Personal Month in a 6 Personal Year and may bring upheaval in family affairs or with friends. The 8 carries a powerful balancing energy and much of that will be directed to your relationships. The truth will come out and you will have the opportunity to heal relationships that have been damaged by misconceptions. Real relationships will become stronger but superficial ones will break down.

Rewards and recognition in your career will also come to you this month. Often, the 8 Personal Month/6 Personal Year brings considerable progress and financial gain.

Romance is also strongly represented. You meet an attractive person, but the challenge here is to approach the situation with sensitivity and awareness. If you come on strong, you will blow the opportunity. Focus on sensitivity and avoid the temptation to be rude at all costs.

Guy, your Personal Month for February 2007 is 3

Guy, February is a 3 Personal Month in a 1 Personal Year. It brings objective reasons for optimism. Now there is a sense of promise in the year. You see your direction a little clearer. There is a sense of beginning. This causes you to lighten up and become more social, especially during the latter part of the month. People are attracted to your upbeat attitude. You attract support from unexpected sources.

Page 59

A new project ignites your excitement, energy, and motivation, all of which you are able to communicate to others.

The real work does not start until next month, and for that reason, this month offers some time for planning, as well as leisure and rest.

You are quick-witted and your sense of humor is enhanced. Friends are drawn to you and there will be plenty of invitations for social events.

Romance is exciting and promising. Guy, your self-expression is improved and you feel more comfortable talking about your feelings, your expectations, and your dreams.

Your Personal Month's compatibility for February 2007 is 8 and 3

Creativity, optimism, and inspiration are the main ingredients in Guy's cycle. Ambition, goals, and financial rewards are the components ruling Madonna's cycle. Although very different, these cycles are nonetheless compatible. They complement and inspire each other. Guy and Madonna, this is not only a good combination of cycles as it relates to your relationship, but also on a more practical level.

You will be able to take care of long postponed projects, overcome some financial difficulties you have had, make repairs to the house, and so forth.

This is one of the best combinations to be shared by two people involved in a relationship. You relate easily, communicate well, and support each other's endeavors.

There is, however, an area where there might be some discordance. Guy is inspired and active, but not focused on goals so much as on the activities themselves, while Madonna is completely focused on the bottom line. As a result, Madonna may feel Guy is irresponsible. Guy, on the other hand, may feel that Madonna is all work and no play. Compromising and understanding that each cycle has its own opportunities will help you get the most out of this period.

Madonna, your Personal Month for March 2007 is 9

Madonna, March is a 9 Personal Month in a 6 Personal Year and is often emotional because you may have to let go of someone close to you.

You experience relationships more deeply and feel greater warmth for others. You reach out for contact and substance. Other people will also be drawn to open up their hearts and minds to you. This reflects strongly in your relationship with family and friends, but also in the work-environment. People will come to you with their problems, seeking an understanding ear and a shoulder to cry on. You feel closer to your fellow man, and because of your attractive disposition you will receive much support from others.

Page 60

Good news may come from your work that will boost your self-esteem. Move slowly and carefully where romance is concerned, however, because you are not in a position to make long-range plans.

Guy, your Personal Month for March 2007 is 4

Guy, March is a 4 Personal Month in a 1 Personal Year and is the time to deliver; to show yourself and everyone involved that you are able and willing to do whatever it takes to reach your goals. It is a month to put your nose to the grindstone and to work on all the details.

This is also a month in which your ability to plan and organize future events is greatly enhanced. So, too, is your clarity of mind. You gain confidence in your abilities and yourself. It's time to move; to make things happen. Do not procrastinate. Do not avoid work or effort.

Slacking would be a serious mistake.

The month can be a little frustrating because so much of your energy will have to be directed to work and details, even routine matters. But this is a time that will likely bring forth an important opportunity, and result in real progress.

It's surprising, therefore, that against such a serious and work-oriented backdrop, romance can bloom. Someone is impressed with your down-to-earth, go-getters approach and your can-do mentality. Guy, you will find yourself in demand.

Your Personal Month's compatibility for March 2007 is 9 and 4

Guy and Madonna, the four and the nine are not the most compatible of cycles. As a matter of fact, this combination often causes emotional turmoil within a relationship, in part because Madonna is at the end of a series of cycles, a time when one's feelings and emotions are always unpredictable. Madonna needs to let go of the old and prepare for the new, and letting go invariably brings on powerful emotions. Guy, on the other hand, is experiencing a time during which there is little room for feelings or sensitivity of any kind. Guy's focus is on practical matters: career, work, taking care of details, effort and discipline. Guy needs to see results and progress.

This is a time when Madonna needs Guy to offer understanding and to show that you are walking the same road towards common goals. In contrast, Guy would rather see Madonna getting on with the more mundane business at hand.

Guy and Madonna, you must be conscious of the fact that you are going through very different stages and, at this time, the best advice for both of you is to try to be as close to each other as you can be. Take the effort to focus on your partner and

not on yourself. Most importantly, get away from the daily grind and do things you enjoy doing together as often as you can manage: go to the movies or go dancing,

Page 61

or paint the town red if necessary.

Madonna, your Personal Month for April 2007 is 1

Madonna, April is a 1 Personal Month in a 6 Personal Year and brings new beginnings in several areas of your life. You have more energy and are ready to implement some changes in your life. Display aggression in your career and it will progress nicely. Start new projects. Take a chance. A 6 Personal Year often brings considerable financial gain, particularly in or around the months of April or November.

This is also a time in which matters of the heart come to some kind of climax. Young lovers get married, married people re-commit, and troubled relationships either work it out or separate.

The month of April brings challenges in the area of communication. Be careful what you say and how you say it so you don't stick your foot in your mouth. Actively pursue the things you want in your career, finances, and love-life.

Romance is very positive now and more people find their soul-mate during this period than at any other time during the 9 year cycle.

Guy, your Personal Month for April 2007 is 5

Guy, April is a 5 Personal Month in a 1 Personal Year. It brings change in many practical areas of your life. As explained earlier, this year and last combine to bring about major changes. April brings many of these changes to the surface. They can include a change of residence or in career.

The month often includes travel. You can count on a dynamic month, hectic even, but also adventurous and exciting.

Consequently, the month requires flexibility and a willingness to accept change. Adapt. Respond. Embrace change. The more you allow yourself to flow with the circumstances, the easier and more successful this month will be. Be ready for surprises, but don't worry; the changes will streamline your ship and make your progress easier and more efficient.

Guy, your ability to promote yourself and your ideas is also enhanced. You have an uncanny talent to be in the right place at the right time this month. Both at work and at social events, you'll be able to advertise your talents and abilities. People will be drawn to you.

With all this excitement, it may be hard to concentrate and focus on the job at hand. You'll need self-discipline in order to prevent the scattering of your energy. Unless you concentrate, you may realize at the end of this month that you did not get a lot done.

Romance reveals a self-indulgent and perhaps irresponsible streak in you and should be handled with the utmost care.

Page 62

Your Personal Month's compatibility for April 2007 is 1 and 5

This is a highly compatible combination, Madonna and Guy. Madonna is at the brink of a new direction where signs of opportunity and progress are very clear. Guy also faces a dynamic time, but a period in which little goes according to plan. If you had to draw a schematic of these cycles, the one cycle as found in Madonna's chart would probably show a straight line throughout the period, perhaps a few bends and curves, but all clearly going in one direction. As in Guy's schematic, the five cycle would be represented by nothing but curves and bends alongside very few straight lines. So, the conclusion is: the whole cycle is about change and movement. Madonna and Guy, for both of you this is a time in which you may have less opportunity – and even less desire – to pay a lot of attention to each other. You would do well accepting that from the beginning so neither of you will feel left out and ignored. You are both going to have your hands full and need to apply yourself to your own needs and desires. For Guy, the keyword is discipline. Try to stay focused but be flexible at the same time. For Madonna, the keyword is drive. Take advantage of your energy and do your best to reach your goals. It sounds like a contradiction, but if you both apply yourself to your own needs, you will be doing each other a favor and the chances of disrupting your relationship will be smaller. Rest assured; you will be spending lots of time together next cycle, when the two and the six rule.
